PLYMOUTH CHRISTIAN SCHOOLS FOUNDATION

"Lo, children are an heritage of the Lord."
Psalm 127: 3a

Thank you for your gifts as we work together with you to reduce the cost of tuition for our school families. Since the inception of the Foundation, gifts totaling almost \$800,000 have been given to the school.

ABOUT THE FOUNDATION

The Plymouth Christian Schools Foundation is an independent non-profit corporation, which was formed in December 1995. It is managed by an eight-member Board of Directors. All of the directors are volunteers and are not paid for their services.

The Foundation provides us with a means to encourage, receive, and manage gifts for the long-term benefit of the schools. Gifts donated to the Foundation are invested with the primary emphasis on preservation of principal; only the income received from these investments is contributed annually to the schools.

You can give to the foundation in many ways:

- Donations including your gift here tonight
- A bequest through wills or trusts
- Gifts of stocks, bonds, or mutual funds
- Memorials of friends or loved ones
- Gifts of homes, real estate, or other tangible property
- Gift annuities or revocable gift agreements

All of your questions are important to us and will be kept confidential. If you have any questions about donating to the Foundation, please contact us, call one of the directors listed, or write us at:
