# Auction 2014

**THANK YOU SO MUCH!**

The 2014 Plymouth Christian Auction book and auction items it contains are the result of many generous donors and hours of volunteer efforts.

Tonight, through your generous bids, you will help close the circle in this important fundraiser for the current and future needs of Plymouth Christian Schools.

For that we thank you.

But none of this – the donors, the volunteers or the bidders – is possible without God’s indispensable blessing. We pray that our evening together and the funds raised will be to His honor and glory.

We would like to thank everyone for attending our auction this year and helping to make our event a success. We hope you enjoy your evening!

***In Special Acknowledgement***

Our auction is made possible through the generous donations of those who sponsored our event, donated items and services, bid at the auction, and have volunteered countless hours of their time for us and the Plymouth Christian community. We would like to take this opportunity to thank a few individuals in a special way:

*The auctioneers and assistants* — Dave VanDyke, Chad TerAvest, Dave Meeuwse, and Nate Meeuwse  
*Our bid board runners*

*Our caterers* — Agnes DeBraber, Beth Engelsma and team who were so willing to provide their delicious array of catered hors d’oeuvres, coffee and juices for our event. \*Your donation for the food is greatly appreciated!

*Cashiers* — Janna Shamery and her team

*Banners and advertising* — Melanie VanderBoon

*Secretarial* — Linda DeVries and Gert VanRoekel (the school secretaries) for ensuring our mailed donations were brought to the auction committee members as well as printing letters, providing information for mailings, and preparing auction notices.

*The Technology Committee* — specifically Bill Kolkman for providing networking solutions and technology expertise for our software needs.

With gratitude,

**The Auction Committee**

## A Few Notes

---

*A few things for our guests to remember in advance:*

### *CHECK-IN*

Our check-in station will be located at the entrance of the gym. Your name and address have most likely been entered into our computer software as an invitee to our event. Please give our attendants your name to check-in as a bidder. They will assign you a bidder number and ensure all information is correct in our system.

### *SILENT AUCTION*

The silent auction will show the highest bid on the board only until 6:15. From 6:15 to 6:45, the bidding will go super silent, and you will not be able to see the highest bid any longer. After the silent bid boards close, all winning bids will be determined by our bid board attendants and entered into the software under the appropriate individual's account. All of these items will then be brought to you by our runners as you enjoy the live auction.

### *LIVE AUCTION*

During the live auction, all winning bids will be entered into the software as they are won so that everything remains current on everyone's account.

### *CHECK-OUT*

Although we encourage you to stay to the end, you are free to leave whenever you wish! Please allow a few extra minutes after winning your last item to check out. Then visit our check-out station located near the entrance to the gym. The attendants will be able to print your invoice for your review prior to cashing out.

### *PAYMENT*

After checking out, please take your invoice to the cashiers for payment with cash or check.

### *DELIVERY*

Let someone else do the heavy lifting! For a \$75.00 donation, you can have your purchases delivered right to your front door on Saturday morning (G.R. metro area). Please fill out a delivery slip when checking out.
