

# Sweet News from 2<sup>nd</sup> Grade

---

October 16-27, 2017

Dear Parents,

This newsletter covers two weeks, since we will have a short week of school next week. There will be no Bible or spelling test next week.

You should have received your child's first marking period report card in the home folder. Please contact me if you have any questions. These do not need to be returned.

Please remember to continue reading every night with your child if possible. Students have begun taking AR quizzes during computer time on Monday afternoon. Also, please continue the flashcard practice, since many students still rely on their fingers for adding and subtracting. Weekly tests of math facts continue.

In social studies we are starting a unit on communities. As we learn about our city, we would welcome any maps, information, or other artifacts of Grand Rapids.

Just a reminder that we are collecting children's toys for our school auction. If you are able to donate please send it in with your child. Thanks!
