Science: Chapter 5; Water, Air, and Weather

### Week in Review...

Students were quizzed on their geography knowledge in order to determine who would enter the Geography Bee. The students did really well on the questions about various states (including facts about state birds), but struggled with questions about locations on various continents.

Our class Geography Bee winner was Justus!

He will go on to the school Geography Bee. Congratulations to him!

Our runner up was Shalina!

Great job to everyone!
