Special Dates and Notes:

Marking Period 3

- **Weekly Morning Highlight:** In reading class we finished Charlotte's Web and as a review, we did a puppet show of the story. Students enjoyed creating their puppets (using socks, paper bags, paper tubes, and gloves). They practiced their lines, focusing on reading with expression, good volume, and clearness. The second grade class enjoyed the story, and our team effort paid off!
- Keep practicing multiplication facts! They are key in division, which is the skill we are focusing on in fourth grade.
- **Today (Jan. 12):** AR goal of 18 points should be mostly finished. Students who are behind will read during recess in order to meet their goal by the end of the marking period.
- **Thursday (Jan. 18):** end of marking period #3
- **Friday (Jan. 19):** No school
- **Friday (Jan. 26):** Geography Bee @ 10:30
