

THE TRIBAL TIMES

FRIDAY, OCTOBER 13, 2017

Highlight of the week:

This week we had a wonderful field trip to the Macatawa Outdoor Discovery Center! We enjoyed beautiful displays of taxidermy as well as several species of wildlife out in the crisp fall air. Below you see a picture of the enthusiasm late last week as we modeled our truly creative milk-jug masks.

Announcements:

Thank you so much for all the hard work this past marking period! It's always a transition process to get back to school. Report cards were sent home today. If you have any questions or concerns, please let me know.

We are again beginning another season of book-it. For the month of October students have a 300 page reading goal to earn a coupon for a free pizza at Pizza Hut. Students who are interested have taken a reading log to record the pages read in each book.

This marking period we will again have a 6 point AR reading goal.

This year the school is putting together baskets to sell at the auction. We are putting together a boy basket and a girl basket. For the boy basket, we are collecting Lego, Playmobile, and K'nex. For the girl basket we are collecting Lego, Playmobile and American Girl Doll (including American Girl Doll Crafts). If you are able to contribute, please send in items with your child. There will be a table in the hallway by the library for students to put their items on. We encourage parents to combine with others to purchase larger items. If you have any questions, please contact Dawn Vlietstra at 6161-710-0895 or dvlietst@plymouthchristian.us. We appreciate your help with this fundraiser!
