Our Special Classroom News:

- Please note...there is NO SCHOOL on Friday, January 19. (semester break)
- THANK YOU for sending in extra shoes for classroom wear during the winter. I always feel a bit better when we all have something on our feet, just in case... If your child can keep these shoes at school, it solves a lot of problems. THANKS!!
- Our 2nd round of AIMSweb testing is planned for Jan.16-Feb.2. Our letter and sound reviews, as well as more familiarity with numbers, should be helpful as we check how things have progressed since mid-September. You'll hear results later.
- Thank you to all of you who sent in Clorox/Lysol wipes! If you find some on sale in the coming weeks, I can certainly put them to good use during "cold season"!
- Our next field trip will be scheduled for February. I'll send home an information note as soon as the details have been finalized. This is a "no sibling" trip. SORRY!
- Word list #4 is attached. It is a bit longer and more challenging. (due 2/15/18)
- The children have gotten back into the school routine once again. At this time of year, we can usually accomplish quite a bit (unless we have "snow days" or illness)
- Have a good week. Next week brings us to the "half-way" point of Kindergarten; it seems so hard to believe! I've seen so much growth and development already!

Sincerely, Mrs. Ruth Stacey
