

2nd Grade News to the Crew

May 31–June 3, 2021

Dear Parents,

Our 2nd graders have sailed through this year, and now they are ready to move on to 3rd grade! We started the year knowing how add/subtract ONE digit numbers and are ending the year adding/subtracting THREE digit numbers with regrouping! Most students started 2nd grade reading short books and have now progressed to chapter books. At the beginning of second grade,

the students were printing, and now they can all write in cursive! In language arts, we learned how to write stories with three paragraphs, and, after much practice, students can identify nouns, verbs, adjectives, and adverbs in a sentence. In Bible, we studied the many kings of Israel and Judah and tried to make applications to our own lives today. We also learned many new Psalters, hymns and Bible verses. It is our prayer that God will bless the Bible instruction to the heart of each student.

We have greatly enjoyed teaching your children this year and hope you all have a safe summer. On Thursday, we will send home your child's report card and a summer packet. Working through and reviewing some of the concepts learned this year will help the transition to 3rd grade. It is also very important that your child continues to read this summer.

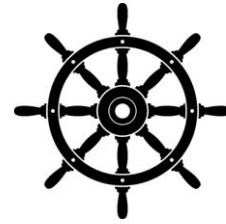

Please send your child with an extra bag (Meijer bag is fine) next week as we hope to clean out our lockers and desks and bring home most of our school supplies.

Siblings are allowed to attend the 6th grade graduation on Wednesday. If you plan to take your child to graduation, please let us know ahead of time!

Our 2nd grade field day is scheduled for Wednesday afternoon. Remember to bring a water bottle and extra clothes to change into. Boys may wear PE style shorts.

Dates to Remember:

- **May 31:** Memorial Day – No School
- **June 1:** Awards Assembly (rescheduled from Friday)
- **June 2:** Field Day
- **June 3:** Last ½ Day of School; PTA Activities

Sincerely,

Mrs. Kristy Kegel
