NOTES

Our field trip for Dutch Village is scheduled. We have the maximum number of moms allowed to go on the trip. Dutch Village mentioned that there may only be two groups of 25 people, so because we accepted on a first-come, first-served basis, at this point we have a full group. If for some reason a family would need to begin quarantining and there is more room, I will reach out to those of you who have expressed interest but cannot go along. Thank you for your understanding!

The weather for Tuesday looks beautiful—58F and sunny. Please dress for the weather as we will be outdoors all day (uniforms, please). Thanks!

CAMPER HIGHLIGHTS

Among several highlights this week, pet day was perhaps our favorite. We had a chicken join us all day on Friday. For the last hour we enjoyed socializing with dogs, ducks, chickens, goats, and even a cow!! We will always remember this awesome experience we had with animals today!

We are happy to be finishing up our social studies projects about a “famous” person who lived in Michigan. Each student chose their favorite person and created a poster showing the results of their research. Next week we will present our projects in class.

Pet day was a blast!
